

SUVA CITY COUNCIL
ENVIRONMENTAL CLEAN UP CAMPAIGN
7TH to 14TH FEBRUARY, 2015

A City wide "environmental clean-up campaign" is being organized in partnership with MLGUDHE/SCC to assist City residents get rid of Difficult or Bulky Waste including old tires, white goods, e-waste and any other backyard waste likely to breed mosquitoes. The SCC seeks the cooperation of all ratepayers and residents to assist in keeping our environment clean by actively participating in this environmental clean-up campaign.

THE COLLECTION SCHEDULE DETAILS ARE AS FOLLOWS;

SATURDAY 7TH FEBRUARY	-	SUVA WARD
MONDAY 9th FEBRUARY	-	MUANIKAU WARD
TUESDAY 10th & WEDNESDAY 11th FEBRUARY	-	SAMABULA WARD
THURSDAY 12th & FRIDAY 13th FEBRUARY	-	TAMAVUA WARD
SATURDAY 14th FEBRUARY	-	EXTENDED

BOUNDARIES INCLUDING; CUNNINGHAM AREAS, NLTB SUBDIVISION - TACIRUA HEIGHTS & WAILOKU SUBDIVISION (CITY AREA);

- Wherever possible residents are required to place all bulky refuse in one heap separately, at a convenient and accessible point
- Please clean up your compound prior to these schedule dates.
- Homeowners are required to pack small items such as tins, bottles, etc. inside a sack or carton to allow easy and safe handling by collectors.
- Refuse arising from Commercial / Industrial premises and other large refuse such as derelict vehicles, vehicle parts and large metals difficult to be manually loaded will not be collected and generators of these wastes are required to make their own arrangements for their disposal with recycling companies.
- The normal monthly green waste collection service will continue as per normal schedule

Residents are encouraged to practice waste minimization initiatives (3R - Reduce, Reuse, Recycle). Should you have some recyclable materials please directly contact private Waste Recycling Companies

You may contact SCC Health Services Department on 331 3433 Ext 403/406; 990 8669 or email enquiries@scc.org.fj for further instructions.

PLEASE HELP COUNCIL IN GETTING RID OF BULKY WASTE AND HELP KEEP
 YOUR CITY CLEAN & GREEN
