Your application to carry out construction of boundary fence has been approved subject to the following conditions:

1. Apart from the approved work herein no other work is to be carried out without the prior approval of the Building Surveyor;
2. Faulty or unsuitable materials must not be used in the permanent works.
3. Boundary pegs to be exposed for inspection and approved prior to erection of the fence.
4. No building material or debris from construction work to be dumped on Council's property / road reserve at any time. All should be disposed of at the Lami Dump.
5. This approval is given on the understanding that your property is not affected by road widening as per approved Town Plan, but if so, the fence is located along the proposed road boundary.
6. In any case where damage to street may be caused by building operation, a deposit of \$50 shall be paid to Council prior to issuance of Fencing Permit. Such deposit shall be refunded full when the Certificate of Completion for the fencing is issued provided any damage caused to the street has been repaired to the satisfaction of the Council.
